Casements Camera Club

Welcome to 2017 CCC members. The year kicked off to a great start with a challenging Field Trip inspired by “Ans” and members on Tuesday, January 10. The group met at Winter Haven Park in Ponce Inlet and had to photograph a red lifeguard chair. (No one listened..lol) Here is Ans being photographed through a crystal ball by Judy Speno. It was a fun day and all enjoyed our fine Florida Winter weather!!!

The group picture from left to right: Joan Robinson, Kathleen Pruett, Arthur Alger (almost covered by a palm leaf), Jeanne Figurelle, Bill Speno, Judy Schultz, David Pruett, Linda Johnson, Paul Johnson, Judy Speno and Tony Procanik.

The program for the January 26 meeting will be a presentation by the CCC board on the topic: "Tips on how to improve your compositions." There will also be a slideshow of the images from the Winter Haven Park in Ponce Inlet Field Trip. We look forward to seeing you there.

### **In Conclusion: The Editor's Note**

Take a minute and reflect back to some of the 2016 accomplishments of the CCC . Ans inspired and stimulated our imaginations with a series of Field Trips. We now have a Facebook page, which I might add, is an excellent way to display your photography to friends and members alike. We have had some excellent tutorials and presentations. I don't know about y'all, but the Splash Photography Workshop was one of my favorites. Unknown to most, it introduced me to Droplet Photography; as I am sure many of you have expanded your horizons in photography through some of these. Our membership has grown and welcomes new explorations into the abyss of imagination.

The Goldtraps have turned over the Editorial reins to a "newbie" as we dive into 2017. Soooo, the "newbie" would like to interject some "newbie stuff" into the Newsletter. I spoke with Ans about this and I would like to incorporate 2 member's photos into the header of the Newsletter every month. The requirements are:

Photos should be taken in Ormond Beach, as we are an Ormond Beach based club. Photos may be anything pertaining to Ormond Beach. Landscapes, Seascapes,

Architecture, Events (Bike Week, festivals, picnics...use your imagination)

Images need to denote location or event and the photographer's name.

Images should be emailed to Ans and either she or the board will pick 2.

If there is an abundance of images submitted, I'll add 2 more to the footer. I have some other ideas, but let's just wade in. Thank you for your patience as I learn to navigate and sharpen my "scribe skills."
