Ssssssssssss Summer's here, or is that the sound of the snakes in the header? I just can't help it, my @\$*\$ sense of humor overpowers my fingers on the keyboard when I start writing the newsletter. Once again, news is somewhat light this month, so let's move on to what we have.

Chris Percival from Speedway Custom Photo Lab gave a very good presentation at our May meeting. Chris came prepared to **critique member's prints**. Unfortunately, members must not had seen that sentence in last month's newsletter (no one brought a print). So, being the professional that he is, Chris grabbed the bull by the horns and did an excellent "ad lib" presentation on the various types of image printing. Thank You Chris!!!!

June 28th Meeting will feature a slideshow presentation from the field trips earlier this year and a Member's Showcase. If you have yet submitted your (up to 5) images to Ans, they must be **in her inbox no later than June 26**.

Four members joined Ans at Art Wolfe's workshop "Photography as Art" in Tampa. It is reported, "Art is a gifted speaker, a wonderful and funny human being and a great teacher. We had a wonderful time!" The CCC attendees from left to right: Linda Johnson, Ans, Jeanne Figurelli,(Art Wolfe) Paul Johnson and Sylvia Camille.

Member's Spotlight

Congrats to CCC members Vicki Payne, Tony Procanik and Tom Silvey for their awards at the FCAL. Vicki Payne received 2nd Place in Animals Category & 2nd Place in the B&W Category. Tony Procanik received 1st Place In Portrait, Street Scenes, Sports & Honorable Mention in Still Life, Floral, Macro. Tom Silvey received 2nd Place in Architecture, Land & Sea Category. Again, congratulations for your achievements.

!!!! REMINDER !!!!

The assignment for the July meeting is **MOVEMENT**. Members may submit up to 10 images to Ans **before July 24.**

The 6th Annual Ormond Beach Performing Arts Center Exhibit proved to be quite a success, with 50 images submitted by 27 photographers. The reception on Friday evening, June 22, was reported as, “well attended with some really yummy foods.”

The winner's images will be on display at the Ormond Beach Library the entire month of July and the exhibit at the OBPA Center will come down on Friday June 29. Sooooo, there is still time to view this “wonderful exhibit.”

Thank you is warmly extended to the 27 photographers who participated in the exhibit and **Congratulations** to the winners posted below!!!!
