Greetings CCC members. Yay!!!!!!!!!!!! Spring is here and temperatures are starting to warm up and March has proved to be a very busy month. Many have received their first and second COVID vaccines while others are still waiting, thus the method to my madness in the header images this month. Vicki's image depicts the cold and dreary year past and Tony's image portrays a ray of hope as people begin to get out more and strip the clothes of a dreary winter. Please continue to be patient and safe and lose not hope and soon, we will all be like the birds in Paul's image, frolicking in the waters of joy with our friends and loved ones. On to the news.

RECAP----Although I was unable to attend the February meeting with Gary Shaver's presentation on cell phone photography, I was able to watch the recorded meeting the following day. Isn't our technology great!!!!!! It was reported: "Gary was very meticulous and gave us (again) many tips." Ans would like to add another tip for the members: "To get the images off of your iPhone: go to icloud.com and log in - all your images are right there and you can copy them onto your computer!! No app necessary."

March 25th Zoom Meeting-----Member Presentation---- UT OH!!! Y'all are in trouble, LOL!!! At the last board meeting your Newsletter Editor was suggestively volunteered to give the presentation for this meeting. I entitled it, THE LONG AND WINDING ROAD. It's about my journey in photography with emphasis placed on editing (darkroom & digital). I thought about writing this paragraph in the third person, but NOPE, it's just not my style. I hope some of y'all will "**zoom in**" and join me.

In lieu of the 8th Annual Spring Exhibit being canceled in the Ormond Beach Performing Arts Center, the **Casements Gallery has been reserved for this exhibit!!!!** Registration is set for Tuesday, June 1, between 3:00-5:00 pm. Hanging will be on Wednesday. This is just an early "heads up" to be thinking about one photograph you would like to enter. Details and rules will be sent out in a future email.

The 28th Ebony & Ivory Show was judged by retired Nascar photographer, Jerry Markland. Siobhan Daly announced the Casements Award winner. The show is set to strike on Wednesday, March 31. Thanks to David and Kathleen Pruett for producing a video presentation of Siobhan and Jerry's judging remarks. It can be viewed on the CCC Facebook page or if you are like me and have deactivated your Facebook account, email Ans and she will send you a WeTransfer link. Many thanks to all who helped make this year's show a huge success. This year's "hanging crew": Bill Speno, Jeanne Figurelli, Donna Armstrong and David Pruett and Ans behind the camera.
