Tis the season and happy well wishes to all. The header images this month are asking the million dollar question, have you been naughty or nice, because Santa Claus is coming, LOL. Is there a piece of coal or a new camera in your stocking this year? May each and all of you receive what I feel is the best gift and that is the ability to share the love of friends and family this season. And may your stockings be filled with lots of health. On to the news.

RECAP—The November outdoor meeting was reported as, “very noisy (traffic) but an excellent presentation from Eric.” Eric critiqued 12 member's images and shared some photography techniques. The meeting adjourned right before the rain came. Thank you Eric.

The **January 27th Meeting** will be held in the Southeast Museum of Photography at **6:00 p.m.** The meeting will open the CCC's “Discovering Unseen Florida” exhibit in the museum. There will also be a slideshow presentation. More details about this meeting will be sent in a future email from Ans.

Welcome new members Stephanie Salkin and Nancy Zedar. Both joined the club at the November meeting. We look forward to you sharing your creativity.

The **Holiday Party** will be on **Wednesday, December 15 at 3:00pm** on the North Lawn of the Casements. The party will be catered. Please email Ans your RSVP with the number in your party attending. **Also**, please email Ans your 5 favorite photos taken in 2021 no later than December 14 as they will be presented in a slideshow at the Holiday Party.

Many thanks to Gloria Lotzer who loaned the club the tree again this year and many thanks to all who brought a decoration for the tree. Pictured next to the tree: Gloria Lotzer, Ans and Linda Johnson. The tree was decorated on November 29 and is on display in the Casements Ballroom.

On Friday, November 19, several members joined Ans for the Volusia Farm Tour. The group went to the one-man Benedict farm and the S&S Apiaries. It was reported as, "very, very interesting". The group from left to right: Lucie Lachance, Joan Robinson, Donna Armstrong, Sue Casey and Rick Seiler and Ans, behind the camera.
